BASC POLICY

Twelve Traditions

- 1. *Our common welfare should come first; personal recovery depends on NA unity.***
- 2. *For our group purpose there is but one ultimate authority – a loving God, as He may express himself in our group conscience. Our leaders are but trusted servants, they do not govern.***
- 3. *The only requirement for membership is a desire to stop using.***
- 4. *Each group is autonomous except in matters affecting other groups or NA as a whole.***
- 5. *Each group has but one primary purpose – to carry the message to the addict who still suffers.***
- 6. *An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.***
- 7. *Every NA group ought to be fully self-supporting, declining outside contributions.***
- 8. *Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.***
- 9. *NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.***
- 10. *Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.***
- 11. *Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.***
- 12. *Anonymity is the spiritual foundation of all our traditions, every reminding us to place principles before personalities.***

BASC POLICY

Twelve Concepts

- 1. *To fulfill our fellowships primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on the behalf of NA as a whole.***
- 2. *The final responsibility and authority for NA service rests with the NA groups.***
- 3. *The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.***
- 4. *Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.***
- 5. *For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.***
- 6. *Group conscience is the spiritual means by which we invite a living God to influence our decisions.***
- 7. *All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.***
- 8. *Our service structure depends on the integrity and effectiveness of our communications.***
- 9. *All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.***
- 10. *Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.***
- 11. *NA funds are to be used to further our primary purpose, and must be managed responsibly.***
- 12. *In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never government.***

BASC POLICY

THE HISTORY OF NARCOTICS ANONYMOUS IN BERGEN COUNTY

One summer evening in July of 1981, several recovering addicts sat in a church in Passaic and planned out how to bring Narcotics Anonymous, or N.A. as it is more familiarly known, to Bergen County.

In October of 1981, on a Thursday night in Hackensack, Narcotics Anonymous held its first meeting in Bergen County. This meeting was the sixth in the State of New Jersey. On that crisp fall night there were approximately twenty recovering addicts in attendance at that landmark meeting.

Some of the people from that original Bergen County meeting, along with countless others, began the hard working quest of finding places to hold more Narcotics Anonymous meetings in Bergen County. Up until that time, anyone seeking help for their addiction problem had to travel to out of the way places such as Valesburg, Princeton and Jamesburg to attend a Narcotics Anonymous meeting during the week.

With the help and confidence of a local pastor from Teaneck, New Jersey, the addicts found a home for their second Bergen County Narcotics Anonymous meeting on Sunday night in Teaneck. Soon to follow were Friday night in Paramus and Monday night in Fair Lawn.

With the hard work and dedication of many recovering members of Narcotics Anonymous, Bergen County is now the home of approximately 40 weekly Narcotics Anonymous meetings. During this same time period, Narcotics Anonymous meetings across the State of New Jersey grew from a total of thirty meetings in 1981 to over seven hundred meetings today.

BASC POLICY

1.0 THE PURPOSE OF THE BERGEN AREA SERVICE COMMITTEE OF NARCOTICS ANONYMOUS (BASCNA)

The BASC is a service board, which is directly responsible to the groups it serves, whose primary purpose is to help carry the message of recovery, through the Twelve Steps of Narcotics Anonymous, to the addict who still suffers. The BASC is organized to provide better communications with the NNJRSC, and World Service arms of Narcotics Anonymous, but first and foremost to provide services to its groups, and members that they may better carry the message of recovery to the addict who still suffers, primarily in the State of New Jersey.

1.1 THE PARTICIPANTS OF THE BASC

1.1.1 THE BASC DEFINED:

The BASC is an assembled body of representatives from member Groups within the boundaries of the Bergen Area. They meet for the purpose of serving the member Groups of the BASC.

1.1.2 BASC COMMITTEES DEFINED:

1.1.2.1 THE ADMINISTRATIVE COMMITTEE – The Administrative Committee coordinates the services that are offered to the member Groups through the BASC. The members elected to serve on this committee are trusted servants who have served their home Group and have gained the experience necessary to qualify them for these positions of trust. The members of the Administrative Committee consist of the Chairperson, Vice-Chair, Secretary, and Treasurer. They may only second motions, other than the Chair, but may not vote in the assembly.

1.1.2.2 THE EXECUTIVE COMMITTEE – The Executive Committee consists of the Chairperson of each of the Standing Committees, Ad-Hoc Committees, Select Committee, the RCM, BOT Chairperson and Vice-Chair, the Administrative Officers, and those the Administrative Chair requests. This committee will meet if a motion has been tabled to the Committee, or an agenda is necessary. They have no power of their own but to present all findings and recommendations to the BASC. The

BASC POLICY

BASC Vice-Chair sets the agenda and conducts the meeting, and reports to the BASC.

1.1.2 BASC COMMITTEES DEFINED CONTINUED:

1.1.2.3 THE JOINT ADMINISTRATIVE COMMITTEE: The Joint Administrative Committee (JAC) consists of The Administrative Committee and The Executive Committee (see description 1&2 above). The BASC Vice Chair chairs this committee and any NA member is welcomed to attend JAC meetings.

1.1.2.4 STANDING COMMITTEES: The Standing Committees are usually referred to as Sub-Committees. These committees are formed for and when there is a specific need for them. The work performed and the service rendered to the member Groups by these committees are the reason for having a BASC. More than a few good members are required to accomplish the work that these committees perform. The Chairperson of these Standing Committees may make and second motions but may not vote in the assembly.

1.1.2.5 AD – HOC COMMITTEES: An Ad-Hoc Committee is a special committee directed by the voting participants to perform for and when there is a specific task brought onto the floor of the BASC. Other than to report, an Ad-Hoc Committee has no voice in the assembly. The assembly must vote for its feasibility and the BASC Chair chooses the Chair of the AD-Hoc. These special committees are disbanded when their task has been completed.

1.1.2.6 SELECT COMMITTEES: A select Committee is a special subcommittee formed, whose Chair is appointed by the BASC Chair, whose specific task is decided by the Area body. This committee is directly responsible to the Area and to report its findings. Other than to report, a Select Committee has no voice in the assembly. These special committees are disbanded when their task has been completed.

1.1.2.7 THE B.O.T. COMMITTEE: The Board of Trustees is the body that exercises the powers stated in the by-laws of the Bergen Area Corporation. They are responsible for ensuring that the BASC Corporation is legally compliant with the corporate laws of the state of

BASC POLICY

New Jersey. They handle all corporate and legal aspects, audit the BASC bank accounts on a quarterly basis, work with the subcommittee chairs on any corporate/legal issues they may have, and carry out the duties assigned by the BASC. They will give an annual report at the fourth BASC Meeting, after the close of the year. They have a final say on all corporate and legal matters.

For specific Board of Trustees, please refer to BASC, Inc. By-Laws document

1.1.3 INDIVIDUAL PARTICIPANTS DEFINED:

- 1.1.3.1 REGIONAL COMMITTEE MEMBER:** (RCM) – is a duly elected trusted servant of the BASC. The RCM is generally a very experienced and highly trusted person whom the BASC has chosen to represent them at other levels of NA service. The RCM may make and second motions but has no vote in the assembly.
- 1.1.3.2 ALTERNATE REGIONAL COMMITTEE MEMBER:** (ARCM) – participates as the RCM in the RCM's absence.
- 1.1.3.3 GROUP SERVICE REPRESENTATIVE (GSR):** is the trusted servant of the member Groups. The GSR's may make and second motions and are the **ONLY VOTING PARTICIPANTS** of the BASC.
- 1.1.3.4 ALTERNATE GROUP REPRESENTATIVE (GSRA):** participates as the GSR in the GSR's absence.
- 1.1.3.5 MEMBER-PARTICIPANTS:** Any member of NA who supports member groups of the BASC, may be heard in this assembly. These participants may petition the Chair to be heard when they have a need. They may not make or second motions and have no vote in the assembly. Their experience and energy, however, are much needed at the committee level, and should be encouraged to serve when and where they can.
- 1.1.3.6 NON-MEMBER PARTICIPANTS:** The need occasionally arises for members of NA, from other Areas and Regions to share their experiences, strength, and hope in NA service with the BASC. These persons may petition the Chairperson to be heard. They may not make or second motions and have no vote in the assembly.
- 1.1.3.7 NON-MEMBER GUESTS:** Any others present, who are not members of NA, are guests of the BASC. These persons usually attend as observers

BASC POLICY

or are invited by the Chairperson to share in their personal area of expertise. The Chair may solicit comments from these individuals. Otherwise, they have neither a voice nor vote in the assembly.

NOTE: *BASC Trusted Servants serving the Area as RCM, RCMA, Standing, Ad-Hoc or Select Committee Chairpersons, Administrative Officer, and BOT member normally have gained experience in service by fulfilling a full term commitment at the Group Level and demonstrate a good working knowledge of the Twelve Steps, Twelve Traditions, and Twelve Concepts of NA.*

2.0 GENERAL RESPONSIBILITIES OF THE PARTICIPANTS:

2.1 GENERAL SERVICE:

General Service provides the support necessary for groups of NA members so that they may act together for their common good and carry the message of NA recovery to the suffering addict. This kind of service not only helps the addict who still suffers, but makes available to the society it serves a workable program of recovery for the drug addict to whom other types of help have seemed to be just a wasted effort.

Narcotics Anonymous exists in many areas as an obscure, unrecognized drug program about which little is known. Yet in most communities where groups are active, the often-surprising success of our Fellowship is gratefully acknowledged. Virtually all communities that know of us are glad to have us around.

It is no longer enough to have a few members getting together to keep their Groups going. NA has grown and will continue to grow at even a faster rate. Without General Service we will have no way to take care of the business of providing the Groups with the intercommunication and other services we need so that they may continue in their primary purpose -- **TO CARRY THE MESSAGE OF NA RECOVERY TO THE ADDICT**

WHO STILL SUFFERS. For the addict in or not yet in recovery, the result would be disastrous. In order to function, NA needs active support; **YOU'RE SUPPORT!**

PARTICIPATE IN FUNCTIONS! GET INVOLVED IN NA! The work is hard and often frustrating. Work hard anyway! Seek to serve whenever and wherever you can. Your personal return will be tenfold. General Service is for any NA member who wishes to get involved. It has contributed greatly to the growth of NA. Any elected position in the

BASC POLICY

service structure is General Service. Committees are formed to meet our specific needs and are an integral part of General Service. Some members feel it is the “getting on with the business of NA”, and wish to be a part of that effort.

2.2 PERSONAL SERVICE:

The members, the meeting, and the Group provide what is frequently called Personal Service. This kind of service is based on the one to one addict sharing experience, strength, and hope that is the foundation of recovery. Sponsorship is Personal Service. It is at this level that we find personal identification with others with similar problems and experiences and the hope so necessary to continue. Here also is our first introduction to the Narcotics Anonymous program. The Twelfth Step is a matter of personal service, and obviously the most important aspect of service. Without the Twelfth Step, the program would wither and die. Personal Service is an effort to carry the message of recovery in Narcotics Anonymous to the addict who still suffers. Every member of the Fellowship has the responsibility to provide this aspect of service. The most basic form of Personal Service is bringing a newcomer to an NA meeting. We have found that we can strengthen and maintain our recovery when we offer this kind of service.

2.2 PERSONAL SERVICE CONTINUED:

Personal Service can be any type of service in NA that does not have to do with an elected position. Making coffee and cleaning ashtrays is Personal Service, as is sharing at a meeting, giving rides and working the Twelfth Step.

3.0 ELECTION PROCESS

Doing service is no easy task at any level. It requires a commitment to personal recovery above all else. We depend on those who serve us to report on their activities completely and truthfully. Our leaders must have sufficient integrity to hear others well, to compromise and to demonstrate the courage of their convictions, as well as the ability to surrender. We seek trusted servants who are willing to expend their time and energy in the diligent service to others, studying available resource materials, consulting those with more experience and carefully fulfilling the tasks we've given them. Clear, frequent two-way communication is an important prerequisite. So long as our committees regularly issue complete, candid reports of their activities, we can be confident that we have delegated our authority wisely. (Concept Eight). We apply the Sixth Concept when we invite a loving God to influence us before making service related decisions.

3.1 REQUIREMENTS:

BASC POLICY

A commitment at the Area level starts at the Group. The Alternate GSR position lasts for two years; one year learning and one year as the GSR. The Area positions work much the same way, from the Chairperson of the BASC to the Subcommittee Chair. These positions require a commitment of at least one year. You may be asked to make considerable investment of your time; you may be asked to travel to other service meetings; you may also be required to spend some of your own personal funds in order to fulfill your responsibilities, such as tolls, gas, telephone calls, etc. You will have work to do at home in your spare time, such as reading or writing reports and discussing plans and objectives with other members.

Our service bodies must also manage funds responsibly, accounting fully and accurately for its use to those who have provided it. Accountability is another aspect of responsible NA financial management. Consistent financial records help us make realistic spending plans for future service activities. In order to provide our Fellowship with the very best level of service possible, we ask our members to carefully consider the responsibilities that go with the elected position for which they may be nominated or volunteer for. Service on this level has many rewards and may have a profound effect on your personal recovery. However, it does not come without hard work, long hours, dedication, and personal sacrifice.

3.2 ELECTION OF BASC OFFICERS:

The Administrative Committee requires a substantial amount of clean time and personal maturity should be the 1st consideration along with experience. Our Trusted Servants should demonstrate the stability and personal sense of direction that serve as an example to others.

3.3 GENERAL RESPONSIBILITIES

Each Area officer, sub-committee Chair and Chair of any board created by this body is responsible for maintaining accurate records and minutes of all meetings, policy guidelines, budget information, accounting records, (if applicable), and any other paperwork and computer discs relevant to the sub-committee. **This information must be brought to the Area at the December meeting to be turned over to the newly elected officer for the coming year.**

BASC POLICY

Requirements, including but not limited to, **clean time CANNOT be waived for any BASC Officer or Subcommittee Chairs**. BASC members may succeed themselves in office, but in keeping with our 4th Concept and principal of rotation, it is recommended that no officer or subcommittee chair serve more than two consecutive terms. 5.0 STANDING COMMITTEES (Sub-Committee Qualifications and Responsibilities):

Since the Bergen Area Service Committee bears final responsibility for the operations of its subcommittees, all Bergen Area Service Committee participants need to be as informed as possible about sub-committee activities. The balance between accountability and delegation is a delicate one. If the BASC delegates too much authority to its sub-committees, the BASC will not be able to account fully for itself to the groups it serves. The BASC should pay careful attention to the Twelve Concepts, especially Concept Five, when creating sub-committees, giving them sufficient liberty to serve freely while still maintaining accountability. The BASC is responsible not only to develop and maintain sub-committees in each field of service, but also to coordinate the work of each of those sub-committees with the work of the others. For these reasons, all Bergen Area Service Committee participants need to become as informed as they can possibly be about sub-committee activities.

5.1 THE CHAIRPERSONS OF THE STANDING COMMITTEES:

10.3 RESPONSIBILITIES OF GSR'S AND GSRA'S:

A GSR is the first in line of communication between a group and NA as a whole. They are the links that bind the groups together in the performance of our primary purpose. It is their responsibility to keep a group informed and to express a group's conscience in all matters. They are the voice of their group. Active participation, more than anything, can strengthen the ties that bind us and promote our common welfare. The GSR speaks for their group at BASC meetings. As a result of their participation, they keep their groups informed about what is happening in NA. Members of a group should always be able to go to their GSR and find out about activities, other groups, how NA structure works, The 12 Traditions & Concepts, and how they can become more involved. The most important service, which the BASC provides, is that of group support. A group can come to the BASC for help in any matter that may occur, and cannot be resolved at the group. We can get much accomplished when we work together. But in order to provide this service, the BASC needs the active participation of its GSR's. Each GSR must keep their group informed and represent their group's conscience in all decisions.

- a. A GSR serves for a period of two years; 1st as a GSRA, learning about the duties of the office, and taking over in case the GSR cannot attend the BASC meeting, with the responsibility to vote in the GSR's absence.
- b. The GSRA should attend all BASC meetings with the GSR, so they can see for themselves how the meeting works.
- c. A group should never go without representation at the Area level. A GSR is the voice and ears in NA.

BASC POLICY

- d. A group supports the Area both financially and emotionally.
- e. The GSR runs it's Groups' business meetings, as guided by our Twelve Traditions and Concepts and follows "Robert's Rules of Order...Simplified".
- f. The GSR reports on a summary of the Area Committee activities once a month, at the group.

10.3 RESPONSIBILITIES OF GSR'S AND GSRA'S CONTINUED:

- g. If a group has a problem, and cannot come up with its own solution, the GSR may ask a representative from the BASC to share what has worked for other groups. The BASC can't tell a group what to do, but it can provide a format to help with group problems.
- h. A GSR usually has one-year clean time, so is more likely to be familiar with NA Traditions and Concepts.
- i. A GSRA is suggested to have six months clean time.
- j. If there is any question about Traditions, Policy, or Guidelines, a group may table the situation or motion and contact the BASC Policy Chair or an Administrative Officer of the Area.

11.4 Appendix A Continued: Members should address the Chairperson as Mr. or Madam Chairperson. The person's conduct while occupying the Chair must be impartial and impersonal. The Chairperson makes certain that facts presented are clear to those in attendance, and that correct procedure is observed, and that Ideas are completed in a reasonable time frame. Restricting the discussion to the subject under consideration, and moving the discussion rapidly are ways to do this. The Chair should introduce each item of business with an impartial statement of the facts known to them. When a subject is

BASC POLICY

introduced, without a idea, the Chair should ask if a member wishes to propose an idea. The Chairperson should not occupy the Chair if they wish to speak for or against a Idea that is under consideration. They must remove themselves by asking the Vice-Chair to serve as Chair until the discussion and Idea are completed. At that time, The Vice-Chair asks the Chair to resume their position.

11.4.1.6 Conduct a vote on all ideas and announce the results

11.5 IDEAS: ideas fall into 4 general classes and one special class. Their purpose is to introduce business for consideration and possible action by the member of a group.

11.5.1 The class of ideas are;

11.5.1.1 MAIN

11.5.1.2 SUBSIDAIARY

11.5.1.3 PRICILEDGED

11.5.1.4 INCIDENTAL

11.5.1.5 SPECIAL

11.5.1.5.1 Main ideas may be made only when no other is before the meeting. It just be disposed of before any other idea can be discusses. Pending ideas- when an idea before the assemble has not yet been completed.

11.5.1.5.1.1 Examples of a main idea; a formal idea is known as a resolution. It apples in matters of grave concern to the member ship that requires action. It should be a statement of an opinion, desire, or appeal for remedy and state clearly to whom it is addressed. It begins with “where as....” (And as many: where as clauses as are needed to present the reason for the resolution) but the preamble should be brief as possible without sacrificing clarity. The resolution

BASC POLICY

concludes, with the words “therefore, be it resolved that”. It is the responsibility of the executive committee to follow through and see that the recommended action is taken on all formally adopted resolutions

11.5.1.5.2 Subsidiary ideas: are applied to pending ideas. These ideas affect another idea that has not yet been decided by the member

11.5.1.5.2.1 Examples:

11.5.1.5.2.1.1 To table an idea: is a delaying action. It permits members to postpone consideration of an idea. Requires a 2nd and majority vote with no debate or amend.

11.5.1.5.2.1.2 To close debate: on a pending idea is a call to vote on a question. It terminated discussion and leads to an immediate vote. (Requires 2nd and 2/3rd vote with no debate or amend.

11.5.1.5.2.1.3 Limit or extend time of debate: is an idea to do just that. It is appropriate when too much time is being taken from the other business on the agenda; and when the subject on the floor requires more time for discussion on the question. Requires 2nd and 2/3rds vote with no debate but may be amended.

11.5.1.5.2.1.4 To refer to a committee: assigns a question to a committee for obtaining more information before the members come to a decision. Requires 2nd and majority Vote with debate and amend allowed.

11.5.1.5.2.1.5 To amend: modifies and often classifies an idea. This is to make the idea more beneficial and acceptable to the

BASC POLICY

members of the group. Requires 2nd and majority Vote with debate and amend allowed

11.5.1.5.2.2 Privileged idea: have the effect of requesting the chair to return to the business of the day, to recess or adjourn and also to set time. 11.5.1.5.2.2.4 Point of privilege- does not require the member making it to be recognized by the chair. The member rises and says "Mr. or madam chairperson, I rise to point of privilege" and the chair replies, "state your point of privilege". It is a concern with the welfare of the total meeting, such as physical comfort for those in attendance, or the reputation and integrity of members present or absent. Requires no 2nd, vote, debate, or amendment.

11.5.1.5.2.2.5 To call for orders of the day- A requests to have the chair return the meeting to

BASC POLICY

the regular order of business. Requires no 2nd, vote, debate, or amendment.

11.5.1.5.2.3 Incidental ideas: are considered procedural issues and are used to enforce correct rules of procedure. They arise from decisions previously determined by the group. They yield to privileged and subsidiary ideas.

11.5.1.5.2.3.1 Appeal to chairs- any two members have the right to appeal from the chair. they must make this idea immediately after the decision of the chair. If another idea is pending, the appeal is not debatable; if no idea is pending, it can be debated, requires 2nd and majority vote. It may or may not be debatable, no amend is allowed.

11.5.1.5.2.4 Point of order- may be moved by a member at any time, if the member believes a violation of correct procedure has occurred. the member has the right to interrupt a speaker and does not need to be recognized by the chair. When a member thinks an objectionable idea has been made, the member may address the chair and state "I object to consideration of the idea". It is immediately taken to a vote and the chair announces the result of the vote. Majority rules

11.5.1.5.2.5 Point of procedural inquiry- a request by a member to have an item of some concern to themselves, as a member, to be considered by those in attendance. Requires no 2nd, debate, amend, nor be recognized by the chair or granted by the floor.

BASC POLICY

non member to contribute views on a matter vital interest to the group. Requires no 2nd, vote, amend, but can be debated

11.5.1.5.2.8 TO WITHDRAW- to remove an idea from consideration by the assembly, this is done before or after the idea has been 2nd. If it has been 2nd, the mover must get permission of the member who 2nd it, before stating their decision to withdraw.

11.5.1.5.3 Special idea- are sometimes found under the class of special main ideas

11.5.1.5.3.1 TO RECONSIDER; that a previously completed idea be discussed and voted upon again. (the member making this idea must have voted with the prevailing vote) This idea may be made while another vote is pending, but no action is taken until that pending business has been completed. Requires 2nd and majority vote. May be debated but not amended.

11.5.1.5.3.2 TO TAKE FROM THE TABLE- to reconsider a previously tabled idea. 2nd and majority vote with no debate or amend.

11.5.1.5.4 WHEN AN IDEA TO SUSPEND THE ORDER OF THE DAY IS PRESENTED, THE CHAIR SHOULD STATE THE REASON FOR SUSPENSION AND MAY ASK THE MEMBERS FOR PERMISSION INSTEAD OF A FORMAL IDEA.

11.5.2 An idea cannot be brought up again after it has been disposed of for two consecutive area service meetings.

11.6 Accepting reports: Once the members vote to adopt a report, they blind themselves to what ever the report recommends and to its entire content. Any committee report that

BASC POLICY

includes a recommendation should have the recommendation at the end of the report, in the form of a resolution, as an integral part of the report.
