

**BERGEN AREA SERVICE COMMITTEE
SERVICES INVENTORY**

DATE: January 2023

SUBJECT: AREA INVENTORY

The Bergen Area Service Committee (BASC) would like to conduct a self-assessment so it can determine its strengths and weaknesses and improve service delivery to its member groups. Some questions require feedback in addition to a numerical evaluation. Please answer honestly (anonymously) and print legibly.

Each Area Question is given a numerical value [1=Poor 2=OK 3=Good 4=Excellent]

Area Question	Value
Does the ASC maintain an active welcoming committee for new GSRs to introduce them to ASC and inform them about their responsibilities?	
Are new GSRs given guidelines and other information to help them in their position	
Do ASC members pass on their experience to others that will follow?	
Do ASC members take their roles as trusted servants responsibly?	
Do you think the ASC as a whole helps to fulfill our primary purpose	
Do the Sub-Committees function as intended?	
Do sub-committee chairs feel like they get the support they need from the ASC	
Does the ASC take action when those elected are not fulfilling their roles?	
Does the ASC support the Region and its committees? How can it improve in this regard?	
Does the ASC support other ASCs?	
Does the ASC keep the flow funds moving through the fellowship?	
How well has the ASC served addicts in the larger community? How can it be improved?	
What are some of the challenges you see facing the ASC this year?	
Do ASC members treat each other with respect?	
Do you find the ASC to be financially responsible?	
Do ASC trusted servants create a space where the conscience of the body guides decision making?	
Does the ASC make it easy for a member of the community to reach one of the trusted servants?	
How well does the ASC practice continuity and rotations	
Does the ASC help remote or struggling groups grow? Have they been identified?	
Does the ASC help remote or struggling ASCs grow? Have they been identified?
