

NA Conference Agenda Report (CAR) Workshop Guide

Purpose

This workshop helps NA groups and members understand the WSC 2026 Conference Agenda Report (CAR), discuss key items, and submit input before the deadline so it can be shared with conference participants.

Responses must be received by April 1, 2026.

NA Traditions Connection

5th Tradition: Each group has one primary purpose – to carry the message to the addict who still suffers.

9th Tradition: NA ought never be organized, but we may create service boards or committees directly responsible to those they serve.

About NA World Services & the WSC

NA World Services provides communication, coordination, information and guidance so that groups and members can more successfully carry the message of recovery and fulfill NA's primary purpose. The World Service Conference meets every two years to unify NA worldwide and further the common welfare of NA.

How Members & Groups Provide Input (3 Ways)

- 1) Vote on five motions at the group level (GSR-led discussion and vote).
- 2) Complete the Literature, Service Material and IDT Survey (as a group or individually).
- 3) Submit input on two Current Issue Discussion Topics.
